

WE ARE YOUR DIGITAL SIGNAGE SPECIALIST

- Generate revenue by selling ad space
- Manage content from remote locations
- Turnkey solutions available

Is your presentation equipment ready when you are?

We guarantee it!! Our extended coverage plans guarantee that you will always be presenting on time! Even if you did not purchase from us you can still add an extended coverage plan to your existing system. We can cover all of your audio visual equipment regardless of manufacturer or original supplier.

AUDIO VISUAL EFFECTS

INTEGRATING THE FUTURE

*It's not what you say...
It's how you say it!*

How your message is delivered is often as important as what you are saying. Today's audience has come to expect multimedia presentations to stimulate all of the senses.

SYSTEM INTEGRATION

LIVE EVENT PRODUCTION

VIDEOCONFERENCING

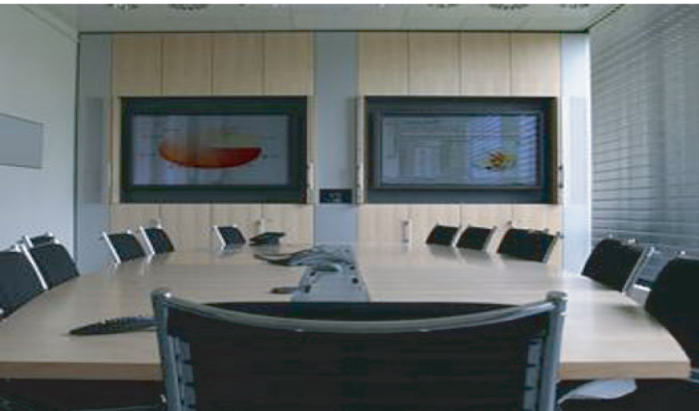

Audio Visual Effects can help you design and install a multimedia system that integrates solutions into your environment so that your message is delivered with **MAXIMUM** impact.

- Project Management
- System Design
- Project Engineering
- System Programming
- Installation Services
- Maintenance Programs

Whether in a boardroom or on stage...
It's our business to make your business look great!

- Program Development
- Event Planning & Production
- Staging & Technical Effects
- Celebrity Entertainment & Special Guest
- Marketing Videos

Videoconference meetings will have an instant impact on your bottom line, saving your company considerable costs, time and stress. By substituting 35% of your physical meetings with video meetings you will immediately recoup the cost of the equipment installed at three independent locations.

GOING GREEN?

Let Audio Visual Effects show you how we can help you save money and the planet! We specialize in **GREEN** audio visual products and solutions.
